The melancholy of lunch break has come at last.

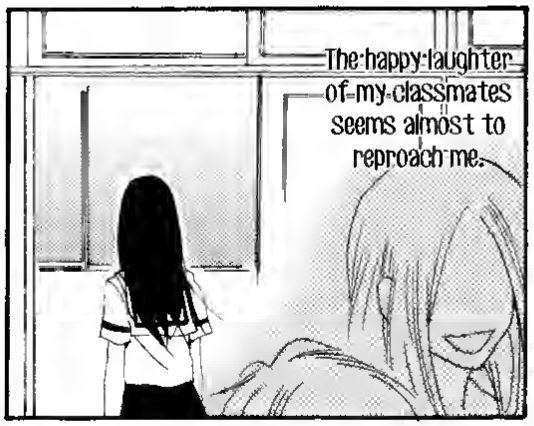
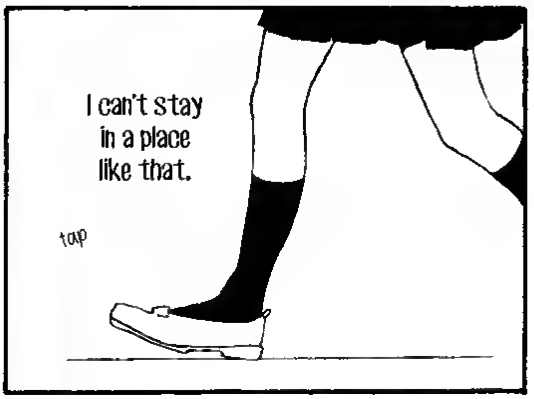
So I search for somewhere with no one around.



The happy laughter of my classmates seems almost to reproach me.



I can't stay in a place like that.

and will continue in exactly the same way until the day I graduate...
This everyday existence has remained totally unchanged since the day I got here.

M... Mado-chan!
Thanks for waiting!
until just recently.

A happy, well-adjusted school life!
No problem!
Sorry I'm late
That's right. I am now living, of all things...
Bump
Eh!
You don't
I'll eat your tomato for you, if you like.
Oh, hey,
No, I couldn't ask you to...
I can't believe I am actually eating lunch with someone, and with such a cute girl too. It's like a dream...
Clench
Thanks for the food!
known as Madeleine!
currently a prospering internet idol
Here, I'll trade you some of my omelette for it. ♥
Not only that, but Mado-chan is also...
I-is that OK?

And I was one of those people fascinated by her.
She connects to people all around through her live-broadcast videos.
The net idol "Madeleine" mesmerises everyone with her cute appearance and singing voice.
Her popularity knows no bounds.
The two of us seemed to have no common ground at all, yet....
Just like a devil and
with the aid of black magic. I called it: "From Purgatory, With Love."
Influenced by Mado-chan, I started my own broadcast. The idea was counselling people about their personal troubles.
watch that channel...!
I've sent many letters asking for advice.
re- re- really?
Eeh!!
Really? You really are The Black Goat?
we met.
Why don't we do a broadcast together?
say
Somehow or other,
Can you get up?

Ah,
So sweet..

Yes! That sounds like a great idea!
What should we do? Are we filming at my house?
Maybe we can have one of our Trouble Consultation specials? It's been a while.
Mmm... Yes, let's do that!

Oh, that's right!

Ahhh, man...
Let's go.
It's even scarier if you just let it go.

You don't get it. What if there's a surprise attack waiting for me as soon as I turn the corn-
Sure sure
But- but maybe it's someone who won't listen to reason..
Whatever it is, I'm sure you can just talk it through.
It's all right, you're not going to get beaten.

You came! I'm sooo happy!!♥
Yagi Meiko-san, who hosts an internet program titled "From Purgatory, With Love" during which you dispense advice and offer guidance to the lost lambs of the world, all while wearing a black goat mask and with the aid of black magic, and this individual here is Kirara Madoka-san who, in the guise of the internet idol Madeleine, has recently begun collaborating with you on joint broadcasts.. and the two of you, having found our letter, came here per its instructions.
Am I correct?

At that time, no matter what I did I couldn't find a single thing to interest me.

Everything on the net and in real life was so boring.
Day after tedious day passed.

Yes... I found you!! The Black Goat!
Welcome, to my altar.
And then I found...
Now live!

I was hooked at once.
Now, a letter from a lost lamb.
The impact of that first moment seeing you... the charisma that seemed to just pour out from the screen... it blew me away.
But, it's for the sake of those like you that I do this broadcast.

"Lately, no matter what I do, it just isn't any fun."
I see... Well, there are many unpleasant things in the real world.
This one is from "Cocotte of Hell" -san.

I tried making a video myself.
Alice here, my childhood friend, helped me out with it.
Oh?
She's just like me...
Before long I felt like I wanted to get closer to you.
since then I haven't missed a single broadcast.
